Young Adults' *and* Young Peoples' House Parties

CEF®'s Easter Conference is a time to meet together for a weekend of Bible teaching and missionary focus. The Young Peoples' and Young Adults' House Parties provide accommodation where you can enjoy fellowship and fun, whilst attending the main conference sessions.

Each evening "Meltdown" is a special youth event featuring praise, missionary input and supper. Easter Conference is a great time to discover more about the ministry of CEF, enjoy excellent Bible teaching and spend time with friends old and new.
