Child Evangelism Fellowship

December 2025

Every good gift and every perfect gift is from above, and cometh down from the Father of lights, with whom there is no variation or shadow of turning.

Local school ministry

God is good, all the time! A simple, yet powerful truth. We have seen it time and time again in ministry. As we come to the end of another year, we are so thankful for the faithfulness of our God. Looking back, we have seen His hand in many different ways; even in the challenges and the uncertainties of life – God is good.

Being able to teach children about God's goodness is a wonderful thing. Standing in School Assemblies reading directly from His Word is a privilege and a great responsibility.

Many Good News Clubs in the area are school based, which in itself is incredible; considering the school climate these days. With 'inclusivity' being encouraged and weaponised against Christianity, we are so thankful for the GNCs that are running across the schools in the local area. Continue to pray much for Christian staff and school leaders. We are thankful for parents who send their children to these after school clubs.

What a different world it is now for our young people growing up. Our aim is to help them realise the Great Creator loves them unconditionally and has wonderful plans for their lives when they put Him first. One of our young people said this about her experience volunteering with CEF over the summer: "Helping with CEF this summer at my church's Holiday Bible Club was an incredible blessing. It was so encouraging to see how God brought many children along each day, eager to learn more about Him and His Word. One highlight for me was leading the quiz one day. It was great to see how much the children had taken in, and how engaged they were with the Bible stories. It reminded me that God's Word is powerful and speaks even to young hearts. Throughout the week, I was reminded that while we plant the seeds, it's God who gives the growth. I'm so thankful to be part of His work in the lives of these children. All glory goes to Him!"

Young people at Camp

At camp this year we challenged the young people to take a Bible and give it to a family member, friend or a neighbour who doesn't know God. All Bibles that were available to take went very quickly after the challenge was given. Just recently, it came to our attention that two Primary 7 pupils had went to someone not saved

Thank you

Thank you for your continual support and interest in the local ministry in South East Antrim. Thank you for your generous giving and partnering in the work in 2025. We trust you have a lovely Christmas and a blessed 2026.

and offered them the Bible that they had taken at camp. One parent contacted us to say that their daughter wanted Phil and Rachael to know that they had found someone to give the Bible to. The other P7 boy had tried to offer a Bible to a number of his peers and sadly had the Bible thrown back at him after it had been drawn on. But the young boy didn't give up and continued to ask members in his class until a girl took it. While giving the Bible to that girl, a second girl asked for a Bible too. The young boy was able to supply her with a Bible too. Later on that night the parents of the second girl contacted the boy's parents saying how much they appreciated the Bible being sent home with their daughter. God is good! Children can teach us so much. Praise God for Christian children standing up unashamedly for the Gospel. Praise God for Christian young people faithfully and consistently sowing the seed of God's Word in schools across the district amidst the challenges and social pressures of the world.

We follow a God we can't see, for a lifetime we can't measure, to an eternity we can't comprehend, because of a grace we didn't earn and a mercy we don't deserve because of an assurance Jesus Christ provides.
