Co Monaghan Inters Camp

We are often told that young people are not interested in God, but at Inters camp this summer we saw otherwise. It was a joy to see them listening to God's Word and praising Him in song. Psalm 24:6 speaks of "the generation of them that seek him." *Will you join us in praying that each one of the young people who attended camp will find Him?*

It was a joy to attend the Keswick Convention at the beginning of August. We had many encouraging discussions about the resources and training that our workers can provide to assist the local church. It was lovely to speak to a lady enquiring about Gospel literature her son could use to give to his friends. She returned to the stand at a later stage with her son and, he left a very happy young boy with the Go and Tell 31 Day Guide and Journal. This is a resource that CEF has produced focusing on teaching children how to share the Gospel with their friends using the Wordless Book tool.
Will you pray for this young boy that He will continue to grow in his love for God and desire to share the Gospel with his friends. Pray that his will be a generation that seek Him.

There were various resources distributed at the conference. *Please pray it will be a help to churches and be used to reach children with the good news of Jesus.*

GB Workers' Conference

We had an enjoyable time with the British workers and Board Members at the beginning of September at King's Park Conference Centre, Northampton. The theme for conference was "Be Prepared". Pastor Phil Geary, Shotts EU Congregational Church, Scotland brought challenging messages each day about being prepared in life and in ministry.

Training in Cyprus

Ministry in Cyprus

We thank God for the eight days we have just spent in Cyprus along with Linda Corry from Romania. We conducted three Christmas Party Club training seminars. Andrew shared about the ministry in a church service and we had the opportunity to teach at the junior and senior Sunday School. We spoke in two primary school assemblies, one pre-school assembly and an after school club for teenagers. *Please pray that God will give us workers to share His Word with this generation in Cyprus.*

Christmas Packs

This Christmas, 20,000 children across Britain will receive a gift pack containing a Gospel of John, the CEF Christmas tract, a Christmas story colouring book, colouring pencils and other Gospel tracts. We are very grateful to our church, Clogher Valley Free Presbyterian, Curran & Castledawsom Presbyterian, Monaghan Elim and Clonaneese Presbyterian for preparing them. *Please pray that these printed missionaries will lead many children to seek and find the Saviour.*

Praise & Prayer Points

Praise God for the nine Christmas Party Club training events that have been organised in Portugal. *Pray that many teachers will attend the training and that God will give them a vision to hold clubs in their church and community.*

We are thankful that God has guided the Spanish Board to a successor for Jose and Damaris when they retire as National Directors in January. *Please pray that there will be a smooth transition and that God will continue to encourage and build the Spanish team.*

Please pray for safety for our upcoming travel and that we will be an encouragement to the workers and Board members as we visit the various countries. Pray that they will have a vision for sharing the Gospel with the unreached generations in their country.

Thank you for supporting us over the past thirteen years. God has always provided, often through one-off gifts that covered our monthly shortfall. To reach our full allowance, we now need more regular monthly supporters. This matters all the more because of our travel which has cost almost £11,000 so far this year. If God is prompting you to partner with us monthly, we would love to hear from you.

Grateful for your partnershp in the Gospel
